**Importance:** High

I was surprised to see more words than I thought were being used (i.e., just the GHS top line categories); it would appear that not all are using the same list and/or are not clear on what the hazard phrases are; so, will Ex. 6 Personal Privacy (PP) please send to me the ONE list that people are supposed to be using so I can again review it and then we need to make CLEAR to all what is the definitive list

Thanks [REDACTED] I see you made edits to the GHS statements in the recommendation summary, so I will work with the submitter to further revise their SDS, consistent with your changes.

[REDACTED]  
For P-18-0212 the recommendation is a straight NL. [REDACTED] Ex. 6 Personal Privacy (PP) QC'd the draft determination. I placed the draft determination and recommendation summary into this folder for your review:  
J:\POSTFOCUS\Draft Determinations for Review\Final Drafts for OPPT Review

This is a "hair on fire" case.

Best,
